

# THE W.A.T.E.R. FUND NEEDS YOU

The City of Houston Water Aid To Elderly Residents (W.A.T.E.R.) Fund is a program that helps pay the water bills of elderly, disabled and needy low income people in our community. It is funded by donations from customers like you.

You can contribute to the W.A.T.E.R. Fund in two ways: by checking the box on the front of your water/sewer bill or by FILLING OUT THE W.A.T.E.R. FUND PLEDGE APPLICATION below. Every penny of your donation goes towards payment of the water and sewer bills of the needy.

Your assistance in the past has made a significant difference in the lives of the elderly, disabled and needy in our community. Please make a contribution today and help W.A.T.E.R. bring basic water and sewer services to your neighbors!
